MOMENTS THAT STAY - ENHANCED WILDLIFE EXPERIENCES

The CL Companion turns distant sightings into vivid memories. Whether you're on a luxury safari, an expedition cruise, or a local nature walk - the details you see become the stories you remember. It's more than observation. It's emotional connection.

INTUITIVE DESIGN THAT FITS YOUR RHYTHM

Lightweight, ergonomic and easy to handle - at just 19.4 oz, the CL Companion feels instantly familiar. The new bridge improves balance and comfort, while the intuitive layout makes it ideal even for those with little technical experience.

EFFORTLESS VIEWING. PREMIUM PERFORMANCE.

With outstanding optics and relaxed visual handling, the CL Companion offers fatigue-free viewing - even on longer tours. Available in 8x30 and 10x30, it's the perfect introduction to the premium class of binoculars.

PREMIUM OPTICS MADE SIMPLE

The CL Companion delivers sharp, high-contrast images with natural color fidelity - all in a compact, intuitive format. No complicated settings. No bulky weight. Just effortless performance in every moment.

FEELS LIGHT AND RIGHT - FROM THE VERY FIRST MOMENT

At just around 19.4 oz and ergonomically shaped, the CL Companion fits comfortably in any hand - even with gloves or glasses. The generous eye relief and precise rotating eyecups ensure the widest possible field of vision, so that even beginners and spectacle wearers can enjoy maximum visual comfort.

MADE TO MATCH YOUR ADVENTURE - AND YOUR PERSONALITY

From desert dunes to forest trails or tall-grass savannas - the CL Companion fits wherever your adventure takes you. Available in 8x30 or 10x30 and in Desert Orange, Mountain Green or Safari Brown, with a perfectly matching carrying bag.

GOOD TO KNOW

With the optionally available VPA (with CA-B ring), you can photograph or film what you see directly via your smartphone.

DIFFERENCE TO THE PREDECESSOR

Slightly heavier but better visual comfort with a wider field of view.
